LAS VEGAS, NEVADA

Begin your adventure under the neon lights of Las Vegas, an oasis in the desert of southern Nevada. You'll lose track of time along the **Strip**, where resorts with elaborate themes offer an array of options, including 24-hour casinos, innovative dining options from big-name chefs, and variety shows and concerts starring legendary headliners. Whether you choose to stay in a luxury resort or in more modest accommodation, excitement is in store. If you like high-end shopping, prepare to stroll through **The Forum Shops at Caesars** or **The Shops at Crystals** and **Via Bellagio**. For budget-friendly shopping, head to the north end of the Strip to the **Fashion Show Mall** or to the **Las Vegas Premium Outlets**. For a unique experience, visit the **Downtown Container Park**, an open-air center with boutiques, restaurants, bars and live music. Less than an hour from the glitz and glamour of Las Vegas, **Valley of Fire State Park** features spectacular attractions of a very different sort. At the oldest state park in Nevada, you'll see magnificent sandstone formations that are 150 million years old, ancient petroglyphs and abundant wildlife. Many of the park's animals, including bobcats, jackrabbits and coyotes, are nocturnal, giving a different meaning to 'nightlife'.

Today, travel to **Bryce Canyon National Park** through Virgin River Gorge and the natural amphitheater of **Cedar Breaks National Monument**. Once in Bryce Canyon, take the park's 38-mile (61 km) scenic drive to acclimate yourself and select where to return to sightsee or hike. Do not miss a hike to the expansive **Bryce Amphitheater**. This impressive natural landscape sits below the **Rim Trail hiking path** and

is filled with hoodoos, which are brightly colored, tall, thin rock spires. Plan to spend several days at the park so you can experience both sunrise and sunset, photographing the views from overlooks such as **Sunrise Point, Sunset Point, Inspiration Point** and **Bryce Point**. Stay after dark to see the vast, star-filled night sky.

PAGE, ARIZONA TO ZION NATIONAL PARK, UTAH

● ● ● ● ● ● ● ● 2 hours and 23 minutes / 191km

Zion National Park is famous for its steep red cliffs, canyons and towering rock formations as well as cascading waterfalls and rivers. A hike along the Virgin River to explore its waterfalls and hanging gardens is a must-do as well as a hike through water in the narrowest section of Zion Canyon, with walls 1,000 feet tall (300 meters) and the river just 20 to 30 feet (six to nine meters) wide. This area is a favorite for photographers of all levels due to its amazing light and structure. If you are lucky, you may get to view some of the park's wildlife, including California condors, mountain lions and bighorn sheep. A five-mile (eight km) scenic drive along the Kolob Canyons Road allows visitors to experience the crimson canyons and view the dramatic overlooks.
